VIP Personal Assistant Services

Designed for those seeking high-touch, exclusive support tailored to personal health and lifestyle needs, our VIP services enrich and complement your day-to-day life, allowing you to focus on what matters most. Some of these services include home maintenance, organization, technology assistance, and event and holiday planning.

239-320-7891

Care 360 Concierge Physicians

The Care 360 healthcare program, in partnership with Naples Comprehensive Health (NCH), grants you 24/7 access to our board-certified concierge physicians who focus on personalized and preventative healthcare.

239-420-7746

Life Care Management

These services include advocacy on the client's behalf, communication with long-distance family members, medical visit coordination and attendance, household management, and emergency support services.

239-320-7891

Private Duty Care

Our Home Health services provide in-home support tailored to each individual's health needs. Skilled caregivers assist with nursing, therapy, and daily activities, enabling clients to recover and maintain independence within the comfort of their own homes.

239-320-7891

Outpatient Therapy

We help patients achieve the highest level of independence possible in their day-to-day activities within their home and community. Our highly skilled, licensed physical, occupational, and speech therapists establish treatment plans with our patients and their physicians customized to their specific needs. We also specialize in vestibular therapy, which is designed to improve balance, reduce dizziness, and promote central nervous system compensation for inner ear deficits.

239-266-9433

Assisted Living

We provide 24-hour, all-inclusive assistance with activities of daily living (ADLs) in private suites. Individuals will receive all the benefits of Moorings Park Communities' award-winning assisted living services, including social, intellectual, spiritual, and recreational activities and events, as well as dining, in a beautiful setting.

239-451-5075

Memory Support

Our memory support services provide certified, compassionate care to individuals and their families who are in the early stages of Alzheimer's and other related dementias. Our expertise in memory support practices and our commitment to continued research ensures an unsurpassed quality of care.

239-451-5075

Skilled Nursing at The Chateau®

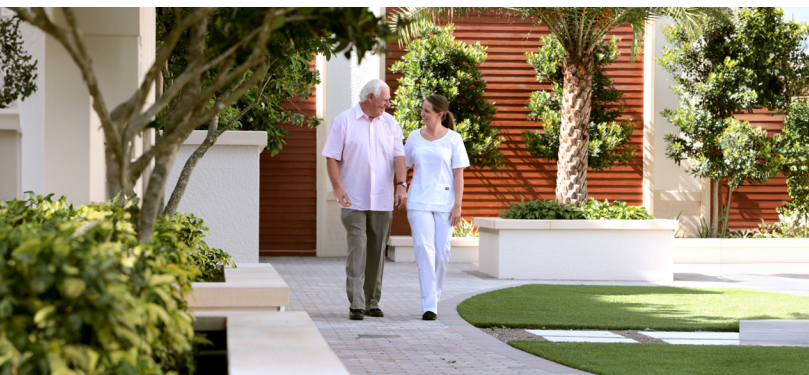

Short-Term Care

The Chateau provides short-term rehabilitation services, including physical, occupational, and speech therapies, following surgical procedures. Individuals who utilize The Chateau for rehabilitation services will receive a personal therapy plan based on the type of surgery they are to receive, individual capabilities, and their personal goals.

Long-Term Care

Our long-term care program offers support for a variety of chronic illnesses or disabilities. Individuals have the choice of spacious, tastefully furnished private and semi-private rooms or they can bring their own favorite pieces from home to retain the continuity of familiar surroundings. By working closely with physicians and family members, we create individualized care plans that address long-term needs.
